

BELIZE THE WAY WE DO IT · CHRIS & CAPTAIN RENE

THE HOTTEST PLACES IN SAN PEDRO

YOUR DAY. YOUR BOAT. YOUR ADVENTURE.

Our own insider guide: the must-do day on the water, where to stay, where we eat and drink, and how to get around. From Chris and Captain Rene.

THE #1 MUST-DO · YOUR DAY. YOUR BOAT. YOUR ADVENTURE.

THE FULL-DAY CUSTOM BEACH BBQ WITH RENE

> *If you're going to Belize, do this. The beach BBQ Rene makes is hands down the best meal of the entire trip.*

- ✓ Snorkel the Belize Barrier Reef
- ✓ Swim with sharks, stingrays and turtles in the Hol Chan Marine Reserve
- ✓ Fish or speargun fish, or let Rene spear lunch while you snorkel
- ✓ In season: fresh lobster, plus conch ceviche made right on the boat
- ✓ Then the beach BBQ: the meal everyone talks about

Private boat, just your group. No strangers, no fixed script. You pick the places, Rene takes you there.

THEN: CAYE CAULKER & THE SPLIT

END THE DAY AT THE LAZY LIZARD

After the reef and the BBQ, have Rene take you over to **Caye Caulker and The Split**, where a hurricane literally cut the island in two.

- The Lazy Lizard Bar & Grill: high dive, tables in the water and sand, upbeat vibe
- Hand-feed the tarpon and look for seahorses
- Grab drinks and walk the island. It's tiny and super chill

MAKE IT YOUR DAY

MONEY

Belize can be what you make it. Small local shacks and roadside stands are cheap and excellent; tourist-style restaurants cost more. **2 Belize dollars = 1 US dollar**, fixed. It never changes.

WHERE TO STAY

Alaia, Autograph Collection Where we routinely stay. Modern, great pools and views. On the pricier side.

Airbnbs All over the island. We like south of the bridge or close to it: easy access to everything.

SunBreeze Hotel Across the street from the airport. Home of Blue Water Grill, one of our favorites.

Grand Caribe Just north of town. Very nice, on the inlet side rather than the open ocean.

Sunset Caribe Comfortable and a little quieter.

Mahogany Bay A gated, resort-style community with lots of houses, studios and Airbnbs inside.

Ramon's Village Jungle-style vibe, great central location.

OUR GO-TO SPOTS

Blue Water Grill Sushi night is really good.

Elvi's Kitchen A San Pedro classic.

El Fogon Authentic Belizean food.

Hidden Treasure Special-night dinner.

Caramba Pick fresh seafood from the ice chest; they cook it how you want. Tourist prices, but an experience.

Saul's Across from Caramba. Cigar shop and espresso bar, hand-carved woodwork, amazing espresso.

Someplace South Café & Bar South, near Hula Bar. Great breakfast, big mimosa menu.

De Los Mayas Coffee Two locations; the main one has a golf-cart drive-thru. Try the Maya drink.

Mr. Robbin's Chicken Lunch just south of the Marriott. Take it back to the pool.

Jungle Café Breakfast.

Fryjack House Breakfast fryjacks. The chicken one is the move.

Estel's Breakfast on the water by the city park.

Big Taste Small local spot a block north of the airport. Always good.

Churro O'clock Back Street, near Maxie's. Churros and marquesitas.

Paradice Ice Cream Next to Carlo & Ernie's. Perfect after wings.

BARS & HANGING OUT

Palapa Bar & Grill Over-the-water bar and grill with live music every afternoon.

Rum Dog Two-story overwater bar and grill. Fun bartenders and crowd.

Crocs Just north of the bridge, the 3-story place you can't miss. Karaoke nights.

Nauti Crab Bar Crab races. Check which night.

The beach by golf cart Tons of overwater bars with live music nightly.

OTHER FUN STUFF

The Truck Stop Shipping-container food spots, pool with TVs, ping pong, life-size Connect 4. Thursday trivia: sign up 6:30, starts 7.

Carlo & Ernie's Sports bar next to the airport. Great wings for game days.

Casinos Free Mayan beer while you play. Ours is caddy-corner from Elvi's.

Meeting of the Mayans Music Fest Once a year the festival takes over the island's bars with artists from the States. A blast if your dates line up.

GETTING AROUND

Flights: fly into Belize City, then Tropic Air straight to San Pedro. Allow about 45 minutes after landing: land at 1:00, book a 1:45 or 2:00. They're flexible and will move you if needed. The water taxi takes about 90 minutes.

Golf carts: we always rent from **One Love Golf Cart Rental**, WhatsApp +501 634-9559, and tell them Mr. Chris sent you. Text them your dates, how many people, how you're arriving, and when you land. They'll be waiting at the airport.

Jungle tours: Mayan ruins and cave tubing are doable from the island, but it's a 12 to 14 hour day. If the jungle is a priority, spend a couple of nights on the mainland.

NO FIXED TOURS. EVER.

YOU PICK THE PLACES. WE TAKE YOU THERE.

Reef, sharks and turtles at Hol Chan. Fishing. Fresh conch ceviche. The beach BBQ. Caye Caulker and the Lazy Lizard. Private boat, just your group, licensed and insured.

YOUR DAY. YOUR BOAT. YOUR ADVENTURE.

Live the adventure of a lifetime.
